SANITATION

Commissioner Rob Longshore stated he has a note from Rumpke about six properties where they have been picking up trash but apparently been picking up trash (3419, 3420, and 3423 Hillvale, 3312 1/2 Brownsboro Vista Drive, and 7603 and 8223 Brownsboro Road). The city will determine if these properties are in the city boundaries and determine whether we should be paying for this.

ROADS & MAINTENANCE/ANIMALS

Commissioner Lisa Crockett reported that the sign that was down at Sorrento and Spring Lake has been reinstalled. The light that was not working on Barbourmeade Road has been repaired. She has also received some phone calls about cars being parked in a blind spot in the roadway on Hillvale. Commissioner Longshore asked if there was a sign stating no parking. Commissioner Crockett does not think so and if there is not then maybe one should be installed. Mayor Coomer recommended stripping that for no parking when the city moves forward with the stripping project.

BEAUTIFICATION

Commissioner Tom Budniak was not in attendance and did not submit a report.

CITY ENGINEER REPORT

City Engineer Trautwein asked the Commission about the paving within the Vista area. He believes it can wait at least another year. Commissioner Longshore said he believes if the potholes can be repaired then the rest of the area can wait a little while longer. Mayor Coomer and Commissioner Longshore stated they would attempt to work on the potholes in the next month.

CITY ATTORNEY REPORT

City Attorney Stan Chauvin was not in attendance.

OLD BUSINESS

Commissioner Crockett asked if the research was done regarding the allowance of chickens in Barbourmeade. City Clerk Brian Davis conducted a review of the minutes and found a reference to the amendment of Ordinance 10 in April 2011 that prohibited chickens. He does not have the actual ordinance in hand yet. Commissioner Crockett will reach out to City Attorney Chauvin for copy of that ordinance and will reach out to the person who had asked her about chickens.
